"This is the Watch I've Been Carrying for Fifty Years!"

"Lifetime" Watches \$109.00

There are three requirements of a good watch: it must look well; it must keep accurate time; and it must LAST.

We have had made for us a man's watch—solid and dignified, with a plain open face and a 23-jewel adjusted movement. These watches have been tested by the United States Bureau of Standards at Washington, D. C. We will give a certificate of actual performance, issued by the Government for that particular timepiece, to the purchaser of each watch. And we guarantee every "Lifetime" Watch for the lifetime of the owner against anything that may happen to it except its loss.
